CAMARO HOT WHEELS[®] CONCEPT

HANG ON TIGHT!

Camaro and Hot Wheels[®], two of the biggest names in the automotive universe, have teamed up to create the ultimate 21st century toy. The Chevrolet Hot Wheels[®] Camaro Concept includes a distinctly unique Over Chrome Green paint and pinstripes that's reminiscent of the Hot Wheels brand. It's packed for the track with 20-inch wheels and tires and Mach aluminum hood insert with milled extractors - and there's no assembly required. It's truly a "Hot Wheels for Real."[™]
